EXPERIENCE

PROJECT MANAGER

Syatt | Remote (EST) | January 2022 - Present

- Managed 5+ concurrent projects, overseeing client work, product feature development, and e-commerce re-platforming.
- Led a global team to swiftly address technical challenges and deliver tailored solutions that enhanced the shopping experience.
- Proactively balanced client requirements, budgets, and timelines, achieving significant improvements in consumer shopping experiences.

TECHNICAL PROJECT MANAGER

Foodmaestro (acquired by Walmart) | Toronto, Canada (Remote) | April - December 2021

- Led team through multiple concurrent data-focused client implementations and product development activities.
- Identified bottlenecks, effectively managed risks, and provided regular status reports to multiple stakeholders.
- Managed resource allocation for a diverse portfolio comprising more than 10 projects.
- Increased efficiency by improving process and scalability.

MARA FINKELSTEIN CONSULTING

Toronto, Canada (Remote) | January 2019 - Present

- Managed project and product support for four clients (3-18 month engagements) and launched 4 MVPs.
- Led market assessments and product feature implementation with a team of six developers.
- Analyzed product performance and developed a strategic roadmap for future improvements.
- Spearheaded digital transformation for 2 clients, integrating modern technologies and enhancing communication practices.

Consulting services covered: Product, Operations, Digital Transformation, Project Management, Web, & Strategy

ACCOUNT COORDINATOR, DIGITAL

Kenna | Mississauga, Canada | August 2017 - July 2018

- Applied corporate updates across platforms, managing a cross-disciplinary team for efficient implementation on a 1,000+ page site.
- Led design change meetings.
- Successfully executed 25 creative digital projects under tight timelines and resource constraints, maintaining the client's brand and gaining stakeholder approval.
